

VOLUNTEERS

Whether you're just driving by either of the parks, enjoying the beach, or heading down the ramp when launching your boat, take a quick glance at the park. If you see anything you think needs to be done and you need supplies to do it, send a message to tpic@tacomapoint.com. TPIC will supply you with whatever you need to get the job done. No need to be formal. Just head to the park and pitch in whenever it's convenient for you..

If you're looking for suggestions, here's a starter list:

- Install new roof on gazebo.
- Clean the Caca Castle. The new roof is on, the door is fixed and the screens are replaced. It's as pretty as a Caca Castle can be, but a nice sweep of the pine needles and cobwebs would be a lovely added touch.
- Repair fire pit/barbecue – anyone with brick laying experience would be nice.
- ~~Repair worn out planks on pier at Big Park~~ DONE !
- ~~Repair worn out planks on pier at Small Park~~ DONE !
- ~~Help put together new picnic tables once they are purchased – we'll let you know when the new tables are here.~~ DONE !
- Haul yard waste off to the dump. It's in a neat and convenient pile in the center island of the boat ramp – and it keeps growing.
- Prune, pluck, dig and destroy blackberry vines.

Tree Huggers & Dirt Lovers – *Not much to say here, weeds keep popping up, trees, plants and shrubs keep sprouting and growing. Adopt an area, or just a big shrub. Every little bit of TLC helps!*

~~**And, this really important one, the little park still needs some steps built to make it safer and easier for swimmers and waders to get in and out of the water.**~~ DONE !
